

Passive Components Networking Days

1st Passive Components Networking Symposium
Sep 12-15th 2017, Brno, Czech Republic

www.passive-components.eu/pcns

INFORMATION FOR EXHIBITORS

Ver.3 Feb 27th, 2017

1. Opening Hours Exhibition

The exhibition will remain open during the complete length of the Symposium. Please note that we expect to have a full conference audience in the exhibition area during the welcome drink, coffee break and poster sessions. Therefore, presence of the exhibitors during these periods is highly recommended.

2. Set-up Instructions

The exhibitors will be provided by two tables in dimensions **0.65 x 1.20m** each. The tables can be set up in-line or in "L" shape upon the individual booth location suitability. The maximum display area is 6m². In case you booked a poster panel to be used in your display area, the dimension is **0.90m wide and 1.60m height**. Please bring your poster(s), as we have no printing facilities at the registration desk.

3. Set-up Times

The set-up times will be confirmed closer to the date.

4. Dismounting Times

The exhibit dismantling is scheduled for Friday Sep 15th, after the closure of the Symposium.

5. Deliveries

Please attach the provided delivery label on all your items that will be delivered to Brno University of Technology, for attention of: Mrs. Vlasta Sedlakova, Technicka 2848/8, 616 00 Brno, Czech Republic. It is important to include all booth details on the form. Deliveries are not accepted before 30 August 2017. It is your own responsibility to ship the materials in time and arrange for return shipment.

6. Registration

All exhibitors should have at least one company representative registered. The standard registration fee applies for all exhibitors.
